

The Breeders List committee has agreed upon the following qualifications to be included on the Great Lakes Newfoundland Club's Breeders List: These rules apply equally to bitch owners and stud dog owners. Stud dog owners may be listed.

1. Must have been a member of GLNC in good standing for 3 consecutive years.
2. Must be willing to serve as an educational resource for prospective Newfoundland owners.
3. Must always use a written agreement/contract in all Newfoundland transactions.
4. Must include in agreement/contract that the breeder will take back any dog that was from their breeding if the circumstance arises that the dog cannot stay in original home. If a GLNC breeder's dog ends up in rescue, they must take the dog back as soon as notified or pay all expenses that rescue incurs dealing with the dog. GLNC expects its members to make a life-long commitment to every Newfoundland they produce and to cooperate in the rescue of any Newfoundland dogs they produce. Failure to fulfill this obligation will result in permanent removal from the Breeders List.
5. Must have bred one (1) Newfoundland litter while a member of GLNC.
6. Must have bred an AKC Champion or NCA working titled Newfoundland. A copy of the certificate of title must be attached if not previously submitted.
7. Must have one sponsor who is a current member of the GLNC Breeders List. (This requirement will be waived for the first year the list is effective.)
8. Must be a current member of NCA.
9. Must have attended one GLNC working event or supported entry/Regional in the prior year.
10. GLNC considers it necessary to test all breeding stock for hip dysplasia, elbow dysplasia, sub-aortic stenosis and cystinuria. GLNC breeders must publish results for each breeding animal with the Orthopedic Foundation for Animals, www.offa.org. It is strongly recommended that all testing of dogs produced also have their results published.

Failure to comply with the above rules will result in removal from the Breeders List until the requirement is fulfilled unless otherwise specified.

Breeders requesting to be included on the 2017-2018 Breeders List **MUST COMPLETE** this application and submit **all** documentation. Copies of the AKC certificate or title and copy of AKC litter registration and AKC registration from one of the puppies of that litter **must be attached** to your application. A **non-refundable fee of \$25** must be included (checks payable to GLNC) with the application and documentation. Signed and completed applications must be sent to:
