

**Great Lakes Newfoundland Club
Annual Awards
May 28, 2022**

The Great Lakes Newfoundland Club would like to congratulate all of its members who have earned a title in 2021.

What is a title, really?

Not just a brag, not just a stepping stone to a higher title, not just an adjunct to a competitive score: a title is a tribute to the dog that bears it, a way to honor the dog, an ultimate memorial. It will remain in the record and in the memory, for about as long as anything in the world can remain. And though the dog herself doesn't know or care that her achievements have been noted, a title says many things in the world of humans, where such things count. A title says your dog loved you enough to do the things that please you, however crazy they may have sometimes seemed.

In addition, a title says that you love your dog. That you loved to spend time with her because she was a good dog and that in a world of disposable creatures, this dog with a title was greatly loved and loved greatly in return.

And when that dear short life is over, the title remains as a memorial of the finest kind, the best you can give to a deserving friend. Volumes of praise in one small set of initials.
